Sub: Power Sector Skill Council – Hiring Electrical Engineering Diploma Holders for the position of Apprenticeship Trainees for Adani Electricity Mumbai Ltd.(AEML)

Dear Sir,

We write to inform you that **Power Sector Skill Council (PSSC)** is an Apex body for skill training and certification of work force and engineers across power sector, promoted by **Ministry of Power, Govt. of India**.

We have been supporting power utilities in terms of Improved availability of readily employable workforce, engineers including apprenticeship in response to their requirement.

In this regard we would like to inform you that **Adani Electricity Mumbai Ltd., Mumbai (AEML)** one of the Group companies of well-known Adani Group, are in the process of engaging Apprentice Trainees with Diploma in Electrical. AEML is a leading power utility is responsible for power distribution to more than 3 million customers in Mumbai and Mumbai Suburban city.

AEML in association with Power Sector Skill Council (PSSC) is launching a unique Apprenticeship Program in optional Trade of Junior Engineer Power Distribution. This training would impart Nationally recognized level – 5 " **Certification in Junior Engineer Power Distribution**" from PSSC. In addition, training will also offer 12 weeks " **Certification Course on Electrical Safety and design aspects of Electrical Installation**" as per scheme notified by Chief Electrical Inspector – Govt. of Maharashtra, which will enable them to obtain Supervisory License to work on Electrical System.

This is a great opportunity for fresh Diploma Electrical Engineers to acquire industry skills in a growing sector and seek job opportunities in power distribution and allied areas.
