GOVERNMENT POLYTECHNIC, NAGPUR

(An Autonomous Institute of Govt. of Maharashtra)
Department of Electronics & Telecommunication

Presents

A State Level Online Quiz Competition

Profile of Institute

Government Polytechnic, Nagpur, was founded on July, 1914. The institute runs 12 programmes including Civil, Mechanical, Electrical, Electronics & telecommunication, Computer, Information Technology, Metallurgy, Mining, Packaging Technology, Automobile, Textile and Travel & Tourism. The total intake capacity of all programmes is 860 students (first shift 680 and second shift 180). The premises of this institute is spread over 22 acres of land with good infra-structure facilities. Govt. of Maharashtra awarded academic autonomy in 1995.

Objective

The Department of Electronics and Telecommunication Engineering, Government Polytechnic, Nagpur with immense pleasure presents a 'State Level Online Quiz Competition', for diploma students with a perspective of paving students' ways towards competitive exams. In this lockdown situation due to global pandemic COVID-19, we strive to present an opportunity for students to get a glimpse of the competitive jobs scenario just at their fingertips. This quiz will be instrumental in inculcating problem solving ability in students as a pedestal to success in the professional world.
