Principal, APCOER, Pune

## TECH SEARCH (Paper Presentation)

Content of paper consist of cement and / or concrete or any inventions or advances in civil Engineering

Competition on 14<sup>th</sup> September 2022

## TECH PLACARD (Poster Presentation)

Content of Poster consist of cement and / or concrete or advances in civil Engineering

Competition on 15<sup>th</sup> September 2022

## TECH GREEN CONCRETE CUBE COMPETITION

Design your green concrete cube with your own achievable concrete cube strength and achieve that strength while testing

Mix Design and Casting of Concrete  
on 14th September 2022

And Testing on 15<sup>th</sup> September 2022

## TECH CONCRETE MIX DESIGN COMPETITION

Submit your 3 concrete cubes, while testing compressive strength must be closest value, it will be announced as winner

Competition on 14<sup>th</sup> September 2022

## TECH ICE CREAM STICK BRIDGE MODEL COMPETITION

Ice Cream sticks will be provided. Minimum weight of bridge & maximum load carrying capacity will be the winner of the competition. Making of Ice-cream stick bridge on

14<sup>th</sup> September 2022

Testing of Ice-cream stick bridge on

15<sup>th</sup> September 2022

## TECH INNOVATIVE IDEAS COMPETITION

On the Spot problem statement will be given & relevant solutions expected.

Competition on 15<sup>th</sup> September 2022

Venue :

Akhil Bharatiya Maratha Shikshan Parishad's
